PBaGSoN for Genes and Genes for Human Life and Nature

Scope and Subject areas of PBaGSoN: GAS-3B

Nepal

PBaGSon for Genes and Genes for Human Life and Nature

Bk. Joshi, President, 2025

Objectives

- Support Research and Development
- Advance Key Disciplines (GAS-3B)
- Protect Professional Rights
- Policy Suggestions and Enabling Environment
- Organize Workshops and Seminars
- Publish Information Resources
- Facilitate Knowledge Sharing
- Provide Consultancy Services
- Provide experts services, views on national and global issues
- Promote Cooperation

Collaborators:

MoALD, NARC, SEAN,
AFU, TU, PU, KU,
FWU, NTNC, NAST,
IRRI, CIMMYT, IUCN,
ICIMOD, CSOs,
Private organizations,
farmer groups, Karma
Group, etc

Number one to lead the agriculture?

Nepal

PBaGSon for Genes and Genes for Human Life and Nature

Bk. Joshi, President, 2025

Committees, sub committees and teams

1. Executive committee
2. Advisory committee
3. Contact team
4. Social media operating team
5. Coordination group
6. Disciplinary focal person
7. Provincial focal person
8. Journal team
9. Award committee
10. Election sub committee
11. Bidhan revision sub committee
12. 6 committees for plant breeding convention

Certificate: 1. Life members, 2. Institution members, 3. Honorary members, 4. Executive committee, 5. Advisory committee, 6. Contact team, 7. Coordination group, 8. Disciplinary focal person, 9. Provincial focal person, 10. Journal team, 11. cash contributors

ID: Life and institutional members

Executive Committee of PBaGSon (2022-2025)
Plant Breeding and Genetics Society of Nepal

Elected by 1st general assembly on 2079/09/11

Bk. Joshi, President, 2025

Progress list

1. Institutional Development & Legal Recognition

- Society renewal successfully completed at CDO, ward and municipal levels.
- Permanent Account Number (PAN) registration obtained.
- Official bank account formally opened and activated.
- Membership certification and official ID cards printed and distributed (including welcome badges).
- President's working paper prepared and implemented.
- Society history documented officially.
- Membership with NAF obtained since 2079.
- Society page created on NAF official website.
- Network established with national and international institutions.
- Members formally increased to:
 - 85 Life Members
 - 9 Honorary Members
 - 1 General Member
 - 2 Institutional Members
- Fund raised for award management.
- Bill pad, letter pad, and membership pad printed.

BK Joshi, President, 2025

2. Journal & Academic Publications

- Academic Journal officially started (First Volume published in 2025).
- ISSN (Print & Electronic) assigned.
- DOI system activated for individual papers.
- Journal joined NepJOL (Nepal Journals Online) platform.
- Online paper submission system launched.
- PBaGSoN Publication Style & Citation Module developed.
- Germplasm / Registration Section included in the journal.
- Official agreement signed with:
 - SQCC for journal publication coordination
 - Karma Group for award cash support
- Journal Editorial Team officially formed.

Nepal

PBaGSoN for Genes and Genes for Human Life and Nature

Bk. Joshi, President, 2025

3. Awards, Recognition & Honors

- Seven (7) different awards established with detailed distribution guidelines.
- Award distribution and management taskforce formed.
- Fund raised for sustainable award management.
- Nine (9) senior experts officially honored.
- Postal stamp initiative launched in honor of renowned agriculturist Netra Bahadur Basnet.
- Recognition certificates distributed to:
 - Life members, institutional members, honorary members
 - Contributors, contact teams, provincial focal persons
 - Disciplinary focal persons, presenters
 - Advisory committee, executive committee
 - Journal editorial team

Nepal

PBaGSoN for Genes and Genes for Human Life and Nature

Bk. Joshi, President, 2025

4. Programs, Events & National Convention

- Four (4) Talk Programs successfully organized.
- Annual General Meeting (AGM) conducted regularly.
- General Assembly (GA) conducted.
- Multiple Interaction Programs organized.
- 1st National Convention on Genetics, Plant Breeding & Seed Science successfully organized.
- National Convention concept note prepared and submitted to NARI.
- Different committees for National Convention formed.
- PBaGSoN Day (30 Srawan) officially declared and set for celebration from 2082.
- Interaction programs organized in collaboration with:
 - CDABCC, NARC, LIBIRD, MoALD, and National Genebank
- Active participation in national programs and meetings on behalf of the society.

Nepal

PBaGoN for Genes and Genes for Human Life and Nature

Bk. Joshi, President, 2025

5. Policy Support, Advocacy & National Contribution

- Suggestions and feedback collected from members and submitted to GOs, NGOs, NARC, and agriculture-related institutions.
- GAS-3B Recommendations prepared and submitted to concerned authorities.
- Policy drafts prepared on:
 - PVP & Farmers' Rights (PVP&FR)
 - Access and Benefit Sharing (ABS)
- Strategic recommendations submitted on:
 - Plant breeding
 - Artificial Intelligence (AI) in agriculture
 - PVP & FR
 - Agrobiodiversity
 - Climate resilience and drought-affected farming
- Members' problems and national agricultural issues compiled and shared with stakeholders.
- Possible actions on Madesh drought-affected areas widely discussed and shared.
- Society contributed actively to course curriculum revision.

Nepal

PBaGoN for Genes and Genes for Human Life and Nature

Bk. Joshi, President, 2025

6. Capacity Building & Training

- Training programs organized for society members.
- Technical orientation provided through talk programs and interaction sessions.
- Plant Breeding Data Analytics

7. Digital Presence & Communication

- Official Website created and launched.
- All documents, publications, certificates, and reports uploaded to:
 - Official Website
 - Google Drive repository
- Official email and social media accounts opened and activated.
- Society brochure shared with:
 - More than 50 organizations
 - Over 100 individual professionals

PLANT BREEDING DATA ANALYSIS TRAINING

Mandala: Breeder Friendly Mixed Model Analysis for Spatial, Genomic, and MET Data

Key Topics

- Spatial correction of field trials
- Adjusted genotype means (BLUPs / BLUPs)
- Genomic prediction using GEMs (GBLUP)
- Multi-environment trial (MET) analysis
- Heritability and reliability estimation
- Selection-ready outputs for breeders

Nepal

PBaGSoN for Genes and Genes for Human Life and Nature

Bk. Joshi, President, 2025

8. Financial & Administrative Management

- Audit report prepared and published.
- Technical report prepared.
- Detailed reports of events, programs, and activities prepared.
- Transparent financial management maintained.

9. Publications & Documentation

- Bidhan (Constitution) published and revised.
- Bidhan Revision Sub-Committee formed and revision completed.
- Society Brochure, General Information Booklet, and Member Profiles published.
- Society Souvenir (Cup & Tie Pin) prepared and distributed.
- General Working Guidelines of the Society developed.

Nepal

PBaGSoN for Genes and Genes for Human Life and Nature

Bk. Joshi, President, 2025

10. Member Engagement, Coordination & Committees

- Sub-committees, teams, and task forces formed, including:
 - Contact Team (Liaison)
 - Coordination Team
 - Advisory Committee
 - Provincial Focal Persons
 - Disciplinary Focal Persons
 - Journal Editorial Team
- Regular coordination meetings conducted with SEAN, CDABCC, SQCC, Karma Group, NARC, NARI, NAF, NAPA, LIBIRD,
- Request letters sent to 25+ organizations for member inclusion in national committees and task forces.
- All members encouraged for:
 - Donation
 - Sponsorship
 - Technical volunteering
- Guidelines prepared based on operational experience for sustainability and governance.

Nepal

PBagSoN for Genes and Genes for Human Life and Nature

Bk. Joshi, President, 2025

11. Special Initiatives & National Outreach

- Interaction programs focused on Vision of GAS-3B conducted.
- Society recognition strengthened at national platforms.
- Institutional collaboration expanded significantly through policy, research, and development engagements.

PBagSoN for Genes and Genes for Human Life and Nature

Bk. Joshi, President, 2025

Awards

SN	Name of Awards	Award Amount (NPR)	Start Year	Remarks
1	Nepal's Emerging Talent in Genetics, Plant Breeding and Seed Science Award	5,100	2081	University Topper at MSc level in Genetics, Plant Breeding and Seed Science will be awarded an amount equivalent to the life member
2	Top-cited Researcher Award	5,000	2081	Among the life members in agriculture and forestry, including GAS-3B
3	Exemplary Service Recognition Award	5,000	2081	Most active life member, contributed significantly
4	Golden Seed Award	15,000	2082	From Seed Science, Nepali Citizen, priority to the life member
5	Plant Breeding Excellence Award	50,000	2082	From Plant Breeding and Genetics, Nepali Citizen, priority to the life member
6	Best Research Paper Award at the convention	5,000	2082	Based on the merit oral presentation, one will be selected during the convention
7	Best Oral Paper Presentation Award for a student at the convention	5,000	2082	Based on the merit oral presentation, one student will be selected during the convention
8	Best Research Poster Award at the convention	3,000	2082	Based on the merit poster presentation, one will be selected during the convention
9	Best Poster Award for a student at the convention	3,000	2082	Based on the merit poster presentation, one student will be selected during the convention
10	Best Farmer Award at the convention (agrobiodiversity rich farmer or farmer as plant breeder)	10,000	2082	Based on the performance of quality and quantity of seed production, one farmer will be selected.
	Total Budget	106,000		

The interest rate in fixed account is very low for award, and therefore this account (for award) has not been opened yet (pls suggest any solution). We are expecting at least Rs 5,000 per award each year. Sponsorship from any is highly acknowledged.
